

UNSW SIDE EVENTS

26th October: Development Studies in Australia today: reflections, challenges and opportunities

Join us for this plenary session exploring the challenges and opportunities of Development Studies in Australia. With current plans to form a Development Studies Association of Australia, it is an opportune time to reflect on different aspects of the field in relation to the Australian context, and what 'Development Studies' and 'Development' in academia more generally has to offer.

29th October: Women's Economic Empowerment Forum – All welcome

Join us for this roundtable event on Women's Economic Empowerment in the Asia-Pacific focussing on four themes: international and state policies for women's empowerment, new and old ways for women to generate income, patriarchal norms and gender relations, and gendered violence at work. Refreshments provided, RSVPs essential.

29th October: Networking Drinks

RDI and IGD (you already have this one I think! – no rego)

31st October: Football United Tournament – All welcome

[Football United](#), in partnership with UNSW, invites you to experience the impact that football has to engage and empower young people in diverse communities in Australia and Myanmar. The event will include a free BBQ and a fun-filled fair play tournament.

Register as an individual to join a mixed team, or register with seven of your colleagues to enter as a team. Players of all ages and skill levels can enjoy the internationally renowned Football United programs, which are built on more than 12 years of experience in football, community engagement, sport for social change and positive youth development. Players aged 18+ years.
